## **2018 KEG DIRECTORY**

The 31st Annual KEG Conference & Trade Show  
April 10th & 11th 2018

It's that time of year again to get your ad included  
in the 2018 KEG Directory!

The Kamloops Exploration Group creates an annual mining directory which lists mining related businesses and individuals from south central British Columbia. The directory is distributed in print to each person who attends the 31st Annual KEG Conference and Trade Show at The Kamloops Coast Hotel & Conference Centre. This event is attended by hundreds of people in the mining industry as well as members of our community.

Many options are available for advertising space within the directory, based on your company's preferences and budget.

A complete version of our Directory will also be available to be downloaded at the Kamloops Exploration Group's web page, making your advertising available to thousands of more people.

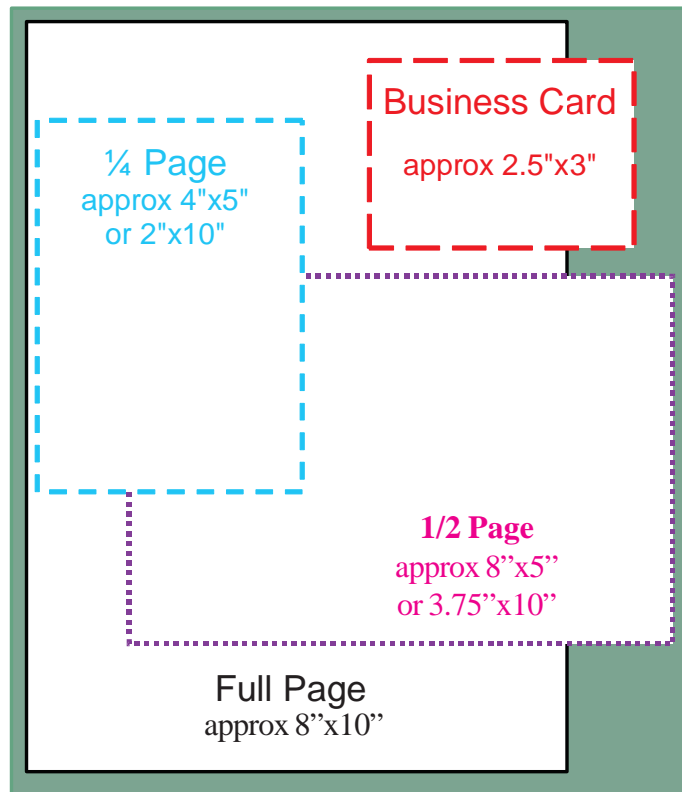

Thank you for your consideration in helping to support the KEG Directory and the mining industry in British Columbia!
