### Exhibitor Guidelines

- Showtime Event and Display Services are not responsible for voltage fluctuation or power failure due to temporary conditions or loose connections.
- For your protection, you should install a surge protector/over-under voltage protector on your computer(s) and/or other equipment as you deem necessary. Installations and connections to all electrical service should be made by Showtime personnel. Showtime will not be responsible for any damage or loss of equipment, component, computer hardware, software or data and/or injury to any person, caused by the installation, connection or plugging into any electrical outlet by persons other than Showtime personnel.
- All electrical outlets will be installed on the floor on the back wall of in-line booths and peninsula spaces. Exhibitors with hard wall spaces must arrange for power to be dropped from the ceiling inside the booth if necessary. Overhead power to island booths will be dropped to one main location as per the exhibitor's floor plan. If no plan is provided, power will be dropped at our discretion.
- All wiring, motors, electrical installations etc. must be approved. To prevent overloading of circuits, exhibitors cannot add wattage except as ordered.
- All outlets for lighting provided by Showtime, column and/or wall outlets are not part of the exhibitor's display space, and cannot be used to power equipment. A separate outlet must be ordered for each piece of equipment to be connected.
- Exhibitor's equipment should be properly tagged and wired with full information as to current, voltage, phase, cycle, horsepower etc. and ready for connection.
- Electrical service cannot be guaranteed prior to one day before event opening due to temporary conditions which exist during set-up. If in doubt about the safety or suitability of any electrical equipment or hook-up, please contact Showtime personnel before operating such equipment or connections

## LIMITS OF LIABILITY & RESPONSIBILITY

### One.

Showtime Event & Display and its subcontractors shall not be responsible for damage due to uncrated materials; materials improperly packaged, glass breakage, or concealed damage.

### Two.

Relative to inbound shipments, there may be a lapse of time between the delivery of shipment(s) to the booth by Showtime or its subcontractors and the arrival of the Exhibitor's representative at the booth. Similarly, relative to outgoing shipment(s), it is possible that there may be a lapse of time between the completion of packing and the actual pickup of materials from the booth from loading onto a designated carrier. It is understood that during such times the shipment(s) will be left in the booth unattended.

Therefore it is agreed that Showtime and its subcontractors are not responsible for the loss or disappearance of exhibitor's materials after the same have been delivered to the exhibitor's booth, nor are Showtime and its subcontractors responsible for exhibitor's materials before they are picked up from the exhibitor's booth for loading after the show. Consequently, all bills of lading covering outgoing shipment(s) submitted to Showtime or its subcontractors by the exhibitor will be checked at the time of pickup from the booth and corrected where discrepancies exist.

### Three.

Showtime and its subcontractors shall not be held liable for any damage incurred during the handling of equipment requiring special devices to properly load, place, or reload unless advance notice has been given to Showtime in time to obtain the proper equipment.

### Four.

Showtime and its subcontractors shall not be responsible for loss, delay, or damage due to strikes, lockouts or work stoppages of any kind.

### Five.

Showtime and its subcontractors shall not be responsible for ordinary wear and tear in the handling of equipment, nor for loss or damage due to fire, theft, windstorm, water, vandalism, acts of God, mysterious disappearance or other causes beyond their control.

### Six.

It is understood that Showtime and its subcontractors are not insurers. Insurance, if any, shall be obtained by the exhibitor. Amounts payable by Showtime hereunder are based on the scope of liability as herein set forth and unrelated to the value of the exhibitor's property. It is further understood and agreed that Showtime.

Showtime and its subcontractors do not provide for full liability should loss or damage occur.

It is agreed that if Showtime or its subcontractors should be found liable for loss or damage to the exhibitor's equipment, the liability should be limited to the specific article that was physically lost or damaged. Such liability shall be limited to a sum equal to \$0.30 per pound per article, with a maximum liability of \$50.00 per item or \$1000.00 per shipment, whichever is less, as agreed upon damages and exclusive remedy.

Provisions of this paragraph shall apply if loss or damage, regardless of cause or origin, results directly or indirectly to the property through performance or non-performance of obligations imposed by the offering of services to exhibitors from negligence, active or otherwise, by Showtime, its subcontractors, or their employees

### Seven.

Showtime and its subcontractors shall not be liable to any extent whatsoever for any actual, potential, or assumed loss of profits or revenues or for any collateral costs that may result from any loss or damage to Exhibitor's materials which may make it impossible or impractical to exhibit same.

### Eight.

Claims for loss or damage must be submitted to Showtime by the close of the show. No suit or action shall be brought against Showtime or its subcontractors more than one year after the cause of action.

### Nine.

The Exhibitor agrees, in connection with the receipt, handling, temporary storage and reloading of its materials, that Showtime and its subcontractors will provide these services as Exhibitor's agent and not as bailee or shipper. If any employee of Showtime or its subcontractors shall sign a delivery receipt, bill of lading, or another document, we agree that Showtime or its subcontractor will do so as the Exhibitor's agent, and the Exhibitor accepts the responsibility thereof.

### Ten.

Showtime and its subcontractors shall not be liable for shipments received without receipts, freight bills, or specified unit counts on receipts or freight bills, such as courier or van lines. Such shipments will be delivered to the booth without guarantee of piece count or condition.
